

OUR PROFILE

We are a cloud kitchen dedicated to providing exceptional culinary experiences through a diverse multicuisine menu. Our offerings include both vegetarian and non-vegetarian options, with a strong emphasis on quality, freshness, and flavour. From snacks and fast food to full meals, beverages, and sweets, we cater to a wide range of tastes and preferences, ensuring a delightful experience for every customer.

About us

Let us tell you about our food brand, Tongue Twist. Our story has been quite a journey! Tongue Twist, from the Magical Touch family, brings tasty food right to your doorstep! We started Tongue Twist as a cloud kitchen in January 2020, delivering yummy food through Swiggy, Zomato, and Magic Pin. Then COVID-19 stepped in, and like many others, we had to pause our service for a while.

But the good news was yet to come! We came back stronger in 2023, again on all your favourite food apps. This year was special for us - we joined the Diwali Mela in Greater Noida for the first time. The response was amazing! People loved our food so much that we decided to bring Tongue Twist to more short events.

Now, we've grown from just a cloud kitchen to a food provider for all kinds of gatherings - birthdays, kitty parties, and get-togethers.

What makes their food special? At Tongue Twist, we cook many types of dishes - vegetarian, eggetarian, and non-vegetarian. We are very careful about the oils we use - only branded Kachchi Ghani mustard oil or good-quality sunflower/soybean oil. Here, everyone can find something they love!

Come give your taste buds a twist with us!

Our Mission and Vision

Mission

Our mission is to provide high-quality, fresh, and delicious food with the utmost convenience. We strive to exceed customer expectations by delivering exceptional taste and ensuring a seamless ordering experience. By maintaining rigorous standards for ingredients and preparation, we aim to offer meals that are both satisfying and reliable, making every dining experience memorable.

Vision

Our vision is to become a leading multicuisine cloud kitchen brand, recognised for culinary excellence, innovation, and customer satisfaction. We aim to expand our reach while maintaining our commitment to quality, continuously enhancing our menu, and leveraging technology to improve our service. We aspire to set new standards in the cloud kitchen industry, becoming a trusted name for diverse and delectable cuisine.

Sustainability Practices

We are committed to sustainability and environmental responsibility. Our practices include:

- **Eco-Friendly Packaging:** We use eco-friendly packaging materials to minimise our environmental impact.
- **Waste Reduction:** We efficiently manage our kitchen to reduce food wastage, implementing strategies to optimise ingredient usage and minimise leftovers.
- **Support for Local Farmers:** We source fresh ingredients from local farmers, supporting the community and reducing our carbon footprint.

By integrating sustainable practices into our operations, we aim to create a positive impact on the environment and contribute to a more sustainable future.
